Team 1
Tuesday Tutorial at 2:30pm with Sachin

Sprint Number: 2

Meeting Date:
03/09/2020

Product Owner:
Sachin Pathiyan Cherumanal

Scrum Master:
s3810119 Erik Olivesjoe

Development Team:
s3810119: Erik Olivesjoe
s3787596: Prerak Soni
s3385819: Matt Meskell

s3716816 Ryan Wilson

Sprint Goal

- Sprint 2 (Milestone 2):
    - Making rosters
    - Managing employees
    - Registering employees
    - Converting employee accounts to admin account
    - Linking up front end and back end
    - Create bookings on front end
    - Circleci
    - Update checks to include employees and admins as well as customers.

Duration of Sprint

- 2 weeks

What is the team's vision for this sprint?

- All pages existing on front end
- Implementation of unit tests
- Design back-end interface for employees
    - Storing appointment data

- With customer features in place we hope to create all the needed features for employees and admins during sprint 2.

Estimation in story points

27 story points.
